CORRECTED
PLAN OF DISTRIBUTION

I. OVERVIEW

1. The Division of Enforcement has prepared Plan of Distribution (the “Plan”) to the United States Securities and Exchange Commission (the “Commission”) pursuant to Rule 1101 of the Commission’s Rules on Fair Fund and Disgorgement Plans (the “Commission’s Rules”), 17 C.F.R. § 201.1101. This Plan provides for the distribution of a Fair Fund (the “Fair Fund”), comprised of disgorgement, prejudgment interest, and civil money penalties paid by BitClave PTE Ltd. (“BitClave” or “Respondent”), an early-stage blockchain services company in the above-captioned matter.¹

2. As described more specifically below, the Plan seeks to compensate investors who were harmed, by the Respondent’s conduct described in the Order, in connection with Respondent’s failure to file a registration statement relating to the offer and sale of a digital asset security, Consumer Activity Tokens (“CAT” or the “Security”), issued by BitClave. As calculated using the methodology detailed in the Plan of Allocation (attached as Exhibit A), investors will be compensated based on their losses on the Security purchased from July 25, 2017 through May 27, 2020,² inclusive (the “Relevant Period”). In the view of the Commission staff and the Fund Administrator, this methodology constitutes a fair and reasonable allocation of the Fair Fund.

3. The Commission has custody of the Fair Fund and shall retain control of the assets of the Fair Fund. The Plan has been approved by the Commission, and the Commission retains jurisdiction over its implementation.

II. BACKGROUND

4. On May 28, 2020, the Commission issued the Order against BitClave. In the Order, the Commission found that from June 2017 through November 2017, BitClave offered

¹ See Order Instituting Cease-and-Desist Proceedings Pursuant to Section 8A of the Securities Act of 1933, Making Findings, and Imposing a Cease-and-Desist Order, Securities Act Rel. No. 10788 (May 28, 2020) (the “Order”).

and sold securities in the form of digital tokens, known as CAT, to fund the development of a blockchain-based search platform for targeted consumer advertising. As a part of this process, BitClave conducted an initial coin offering (the “Offering”) in which it raised approximately \$25.5 million through the issuance of CAT. By their conduct, the Commission found that Respondent violated Sections 5(a) and 5(c) of the Securities Act by failing to file a registration statement as to the Offering of CAT, and sold CAT to thousands of investors. The Commission ordered the Respondent to pay a total of \$29,344,197.00 in disgorgement, prejudgment interest, and civil money penalties to the Commission, pursuant to a payment plan detailed therein. The Commission also created a Fair Fund, pursuant to Section 308(a) of the Sarbanes-Oxley Act of 2002, so the penalty paid, along with the disgorgement and interest paid, can be distributed to harmed investors.

5. The Fair Fund includes \$12,000,000 paid to date by Respondent and any additional funds paid pursuant to the Order will be added to the Fair Fund. The Fair Fund has been deposited at the United States Department of the Treasury’s Bureau of the Fiscal Service (“BFS”) for investment, and any accrued interest will be for the benefit of the Fair Fund.

13. **“Eligible Claimant”** means a Preliminary Claimant, who is not an Excluded Party, who submitted a valid claim and has suffered a Recognized Loss, as calculated in accordance with the Plan of Allocation.

Third-Party Filer does not include assignees or purchasers of claims, who are excluded from receiving Distribution Payments under paragraph 14 above.

IV. TAX COMPLIANCE

26. On December 1, 2020, the Commission appointed Miller Kaplan Arase LLP as the tax administrator (the “Tax Administrator”) for the Fair Fund to handle the tax obligations of the Fair Fund.³ The Tax Administrator will be compensated for reasonable fees and expenses from the Fair Fund in accordance with its 2019-2021 Engagement Letter Agreement with the Commission.⁴

27. The Fair Fund constitutes a Qualified Settlement Fund (“QSF”) under Section 468B(g) of the Internal Revenue Code of 1986, as amended, 26 U.S.C. § 468B(g), and related regulations, 26 C.F.R. §§ 1.468B-1 through 1.468B-5. The Tax Administrator is the administrator of such QSF, for purposes of Treas. Reg. § 1.468B-2(k)(3)(I) and shall satisfy the tax-related administrative requirements imposed by Treas. Reg. § 1.468B-2, including, but not limited to:

- (a) Obtaining a taxpayer identification number;
- (b) Requesting funds necessary for the timely payment of all applicable taxes, the payment of taxes for which the Tax Administrator has received funds, and the filing of applicable returns; and
- (c) Fulfilling any information reporting or withholding requirements required for distributions from the Fair Fund.

28. All tax obligations will be paid from the Fair Fund, subject to the review and approval of Commission staff.

V. FUND ADMINISTRATOR

29. On April 22, 2021, the Commission appointed Kurtzman Carlson Consultants, LLC (“KCC”), as the fund administrator for the Fair Fund (the “Fund Administrator”), and the Fund Administrator has obtained a bond in the amount of \$12,000,000, as ordered.⁵ Pursuant to Rule 1105(a) of the Commission’s Rules, 17 C.F.R. § 201.1105(a), the Fund Administrator may be removed at any time by order of the Commission or hearing officer.

³ See Order Appointing Tax Administrator, Exchange Act Rel. No. 90545 (Dec.1, 2020).

⁴ See Omnibus Order Directing the Appointment of Tax Administrator in Administrative Proceedings that Establish Distribution Funds, Exchange Act Rel. No. 85174 (Feb. 22, 2019).

⁵ See Order Appointing Fund Administrator and Setting Bond Amount, Exchange Act Rel. No. 91647 (Apr. 22, 2021) (bond amount set for \$10 million); see also Order Setting Administrator’s Bond Amount, Exchange Act Rel. No. 94391 (Mar. 8, 2022) (bond amount increased to \$12 million).

30. The Fund Administrator will be responsible for administering the Fair Fund in accordance with the Plan. This will include, among other things, taking reasonable steps to identify and contact Preliminary Claimants; obtaining accurate mailing information for Preliminary Claimants; establishing a website and staffing a call center to address inquiries during the claims process; developing a claims database; preparing accountings; cooperating with the tax administrator appointed by the Commission to satisfy any tax liabilities and to ensure compliance with income tax reporting requirements, including but not limited to Foreign Account Tax Compliance Act (FATCA); advising Preliminary Claimants of deficiencies in claims and providing an opportunity to cure any documentary defects; taking antifraud measures, such as identifying false, ineligible and overstated claims; making determinations under the criteria established herein as to Preliminary Claimant's eligibility; advising Preliminary Claimants of final claim determinations; disbursing the Fair Fund in accordance with this Plan, as ordered by the Commission; and researching and reconciling errors and reissuing payments, when possible.

31. To carry out the purposes of this Plan, the Fund Administrator is authorized to make and implement immaterial changes to the Plan upon agreement of the Commission staff. If a change is deemed to be material by the Commission staff, Commission approval is required prior to implementation by amending the Plan.

32. The Fund Administrator may extend any procedural deadline contained in the Plan for good cause shown, if agreed upon by the Commission staff.

33. The Fund Administrator is authorized to enter into agreements with third parties as may be appropriate or necessary in the administration of the Fair Fund, provided such third parties are not excluded pursuant to other provisions of this Plan. In connection with such agreements, the third parties shall be deemed to be agents of the Fund Administrator under this Plan.

34. The Fund Administrator will be entitled to payment from the Fair Fund of reasonable fees and expenses, including the bond premium, incurred in the performance of its duties (including any such fees and expenses incurred by agents, consultants or third parties retained by the Fund Administrator in furtherance of its duties).

VI. ADMINISTRATION OF THE FAIR FUND

Identification of and Notification to Preliminary Claimants

35. The Fund Administrator will, insofar as practicable, use its best efforts to identify Preliminary Claimants from a review of trading records, obtaining records from additional sources, and seeking information from any other source available to it. The Fund Administrator may also engage a third party firm, after consultation with and approval of the Commission staff, to assist in identifying Preliminary Claimants to maximize the participation rate of CAT investors in the Fair Fund.

36. Within sixty days (60) after Commission approval of the Plan, the Fund Administrator shall:

- (a) Design and submit a Claims Packet, including the Plan Notice and the

- Claim Form, to the Commission staff for review and approval;
- (b) Create a mailing and claim database of all Preliminary Claimants based upon information identified by the Fund Administrator;
 - (c) Run a National Change of Address search to retrieve updated addresses for all records in the database, thereby ensuring the mailing information for Preliminary Claimants is up-to-date;
 - (d) Email, mail, or otherwise provide a Plan Notice to each Preliminary Claimant identified by the Fund Administrator and to any other source identified by the Fund Administrator that may have records of the Security during the Relevant Period.
 - (e) Establish and maintain a website devoted solely to the Fair Fund. The Fair Fund's website, located at www.BitClaveFairFund.com, will make available a copy of the approved Plan; provide information regarding the claims process and eligibility requirements for participation in the Fair Fund in the form of frequently asked questions; include in downloadable form, the Claim Form other related materials; and such other information the Fund Administrator believes will be beneficial to Preliminary Claimants;
 - (f) Establish and maintain a toll-free telephone number, 1-888-792-0204, for Preliminary Claimants to call to speak to a live representative of the Fund Administrator during its regular business hours or, outside of such hours, to hear prerecorded information about the Fair Fund. The toll-free number will be listed on all correspondence from the Fund Administrator to Preliminary Claimants as well as on the Fair Fund's website; and
 - (g) Establish and maintain a traditional mailing address and an email address (info@bitclavefairfund.com) which will be listed on all correspondence from the Fund Administrator to Preliminary Claimants as well as on the Fair Fund's website.

37. The Fund Administrator will, within ten (10) days of the Plan Notice being transmitted, posted or otherwise made available, incorporate the Summary Notice into a four (4) week media campaign to all Preliminary Claimants. The media campaign will be comprised of a press release, digital ads being served through social media platforms and business social networks acceptable to the Commission staff, as well as, publication in print media acceptable to the Commission staff. The targeted goal of the media campaign will be a total of two million digital impressions of the Summary Notice.

38. The Commission staff retains the right to review and approve any material posted on the Fair Fund's website, any material mailed, emailed, or transmitted by other means, and any scripts used in connection with any communication with Preliminary Claimants.

39. In all materials that refer to the Claims Bar Date, the filing deadline will be clearly identified with the calendar date, which is one hundred twenty (120) days from the date of the initial provision of the Plan Notice by mail, email, or other means.

40. The Fund Administrator will promptly provide a Claims Packet to any Preliminary Claimant made, upon request, online through its website or via mail, phone, or email prior to the Claims Bar Date.

41. The Fund Administrator will attempt to locate any Preliminary Claimant should a transmission or mailing be returned as “undeliverable” and will document all such efforts. The Fund Administrator shall use its best efforts to make use of commercially available resources and other reasonably appropriate means to obtain updated e-mail or mailing addresses in response to “undeliverable” notices, and forward any returned electronic transmission or mailing for which an updated email or mailing address is provided or obtained. The Fund Administrator will make available, upon request by the Commission staff, a list of all Preliminary Claimants whose Plan Notice have been returned as “undeliverable” due to incorrect contact information and for which the Fund Administrator has been unable to locate current contact information.

Filing a Claim

42. To avoid being barred from asserting a claim, on or before the Claims Bar Date, each Preliminary Claimant must submit to the Fund Administrator a properly completed Claim Form reflecting such Preliminary Claimant’s claim, together with all required supporting documentation as the Fund Administrator, in its discretion, deems necessary or appropriate to substantiate the claim. Without limitation, this information may include third party documentary evidence, including verification of control over a digital wallet verification of purchases and dispositions of the Security during the Relevant Period, as well as, holdings of the Security at pertinent dates.

43. The burden will be upon the Preliminary Claimant to ensure that his, her or its Claim Form has been properly and timely received by the Fund Administrator. A Claim Form that is postmarked after the Claims Bar Date will not be accepted unless the deadline is extended by the Fund Administrator for good cause shown, after consultation with the Commission staff.

44. All Claim Forms and supporting documentation necessary to determine a Preliminary Claimant’s eligibility to receive a distribution from the Fair Fund under the terms of the Plan must be endorsed by a declaration executed by the Preliminary Claimant under penalty of perjury under the laws of the United States. The declaration must be executed by the Preliminary Claimant, unless the Fund Administrator accepts such declaration from a Person authorized to act on the Preliminary Claimant’s behalf, whose authority is supported by such documentary evidence as the Fund Administrator deems necessary.

45. Electronic claims submission is encouraged; the Plan Notice will include directions on how Preliminary Claimants can submit their claims electronically via the Fair Fund’s website. If using the web-based claim filing option, a Preliminary Claimant must submit their claim to the Fund Administrator by 11:59 p.m. PST on the Claims Bar Date. The Plan Notice will also include instructions for submission of claims by mail, if the Preliminary Claimant is unable to submit his, her, or its claim electronically.

46. When submitting claims to the Fair Fund on behalf of its clients, all Third-Party Filers must use the electronic filing template provided by the Fund Administrator in this matter. Filers that do not comply with the template and format provided by the Fund Administrator may be rejected. Third-Party Filers must also submit a signed master proof of claim and release, as

well as proof of authority to file on behalf of the claimant(s) at the time the electronic file of transactions is submitted. Failure to do so may result in rejection of the claim.

47. Each Third-Party Filer must establish the validity and amount of each claim in its submission. Third-Party Filers must submit such supporting documentary evidence of purchases, dispositions, and holdings of the Security as the Fund Administrator deems necessary or appropriate to substantiate each individual claim. Without limitation, this includes the complete name of the Preliminary Claimant (beneficial account owner) and its TIN (for individuals) or EIN (for companies), sufficient contact information to confirm the identity of the beneficial owner, and documentation from the original bank, broker or other institution of purchases and dispositions of the Security (account statements, confirmations and other documentation of purchases and dispositions), as well as holdings of the Security on pertinent dates. Documentation generated by the Third-Party Filer as well as affidavits in lieu of supporting documentation, will not be accepted unless, for good cause, the Fund Administrator determines it acceptable. The Fund Administrator will have the right to request, and the Third-Party Filer will have the burden of providing to the Fund Administrator, any additional information and/or documentation deemed necessary by the Fund Administrator to substantiate the claim(s) contained in the submission. Documentation from a Third-Party Filer that is not acceptable to the Fund Administrator will result in rejection of the affected claim(s). The determination of the Fund Administrator to reject a claim for insufficient documentation, as reflected in the Determination Notice, is final and within the discretion of the Fund Administrator.

48. The receipt of the Security by gift, inheritance, devise, or operation of law will not be deemed to be a purchase of the Security, nor will it be deemed an assignment of any claim relating to the purchase of such Security unless specifically so provided in the instrument of inheritance. The recipient of the Security as a gift, inheritance, devise or by operation of law will be eligible to file a Claim Form and participate in the distribution of the Fair Fund to the extent the original purchaser would have been eligible under the terms of the Plan. Only one claim may be submitted with regard to the same transactions in the Security, and in cases where duplicative claims are filed by the donor and donee, the donee claim will be honored, assuming it is supported by proper documentation.

49. Claims on behalf of a retirement plan covered by Section 3(3) of ERISA, 29 U.S.C. § 1002(3), which do not include Individual Retirement Accounts and such plan's participants, are properly made by the administrator, custodian or fiduciary of the plan and not by the plan's participants. The Fund Administrator will distribute any payments on such claims directly to the administrator, custodian or fiduciary of the retirement plan. The custodian or fiduciary of the retirement plan will distribute any payments received in a manner consistent with its fiduciary duties and the governing account or plan provisions.

50. The Preliminary Claimant has the burden of notifying the Fund Administrator of a change in his, her, or its current address and other contact information, and ensuring that such information is properly reflected in the Fund Administrator's records.

Review of Claims and Deficiency Process

51. The Fund Administrator will review all claim submissions and determine the eligibility of each Preliminary Claimant to participate in the Fair Fund by reviewing blockchain transactional data and claim data, including but not limited to verification of control over a

digital wallet, and supporting documentation (or the lack thereof) and verifying the claim. Each Preliminary Claimant will have the burden of proof to establish the validity and amount of his, her or its claim.

52. Each Preliminary Claimant will be compared to the current list of U.S. sanctions in effect for covered regions and financial institutions, as defined by the U.S. Department of the Treasury, as well as, OFAC's list of Specially Designated Nationals (SDN) to determine whether the Preliminary Claimant is an Excluded Party or has provided the details of a financial institution for the transaction and such institutions subject to sanctions imposed by the U.S. government. If a Preliminary Claimant is identified as a sanctioned individual or entity, a citizen of a covered region, seeks a distribution payment through a covered financial institution, or appears on OFAC's list of SDNs, the Fund Administrator must obtain sufficient identifying information from the Preliminary Claimant to establish that he, she or it is not an Excluded Party and, in the case of a financial institution that is subject to sanctions, the Fund Administrator will seek information to make alternate payment arrangements, if possible. If the Preliminary Claimant fails to provide documentation sufficient to satisfy the Fund Administrator that he, she, or it is not subject to sanctions, the Preliminary Claimant will be deemed an Excluded Party and ineligible to participate in the distribution of the Fair Fund.

53. The Fund Administrator will have the right to request, and the Preliminary Claimant will have the burden of providing to the Fund Administrator, any additional information and/or documentation deemed relevant by the Fund Administrator, including, but not limited to information and documents supporting transaction histories (e.g. public keys, transaction hashes, transaction dates) or activities on cryptocurrency exchanges relating to the Security. Preliminary Claimants who fail to provide additional information as requested within 21 calendar days will be deemed ineligible to participate in the distribution of the Fair Fund.

54. The Fund Administrator will verify each Preliminary Claimant's control over a digital wallet. A Preliminary Claimant failing to prove control over a digital wallet in which the Security was held within the allotted time will be deemed ineligible to participate in the distribution of the Fair Fund.

55. The Fund Administrator will provide a Claim Status Notice within one hundred twenty (120) days of the Claims Bar Date to each Preliminary Claimant who has filed a deficient Claim Form with the Fund Administrator. The Claim Status Notice will provide to each Preliminary Claimant whose claim is deficient, in whole or in part, the reason(s) for the deficiency (e.g., deemed an Excluded Party pursuant to paragraph 52 above or failure to provide required information or documentation). In the event the claim is denied, in whole or in part, the Claim Status Notice will state the reason(s) for such denial. The Claim Status Notice will also notify the Preliminary Claimant of the opportunity to cure any deficiency, request reconsideration, or dispute the determination made by the Fund Administrator and provide instructions regarding what is required to do so.

56. Any Preliminary Claimant with a deficient claim will have thirty (30) days from the date of the Claim Status Notice to cure any deficiencies identified in the Claim Status Notice.

57. Any Preliminary Claimant seeking reconsideration of a denied claim must advise the Fund Administrator in writing within thirty (30) days of the date of the Claim Status Notice. All requests for reconsideration must include the necessary documentation to substantiate the basis upon which the Preliminary Claimant is requesting reconsideration of his, her, or its claim.

58. The Fund Administrator will also have the authority, in its sole discretion, to waive technical claim deficiencies and approve claims on a case-by-case basis, or in groups of claims.

Claims Eligibility Determination

59. Within one hundred eighty (180) days of the Claims Bar Date, the Fund Administrator will complete all claims determinations and send a Determination Notice to all Preliminary Claimants who timely submitted a Claim Form notifying the Preliminary Claimant of its eligibility determination. The Determination Notice will further provide to each Preliminary Claimant that is determined to be an Eligible Claimant with his, her, or its calculated Recognized Loss. The Determination Notice will constitute the Fund Administrator's final ruling regarding the eligibility status of the claim and is not subject to appeal.

Disputes

60. The Fund Administrator may consider disputes of an Eligible Claimant's Recognized Loss calculation if notice of the dispute is presented in writing to the Fund Administrator within thirty (30) days of the date of the Determination Notice. The Fund Administrator will consult with Commission staff as appropriate. Within thirty (30) days of receiving an Eligible Claimant's notice of dispute, the Fund Administrator will notify the Eligible Claimant, in writing, of its calculation of the Eligible Claimant's Recognized Loss after considering the dispute. This notice will constitute the Fund Administrator's final ruling regarding the loss calculations for the claim and is not subject to appeal.

Third-Party Review

61. After the Fund Administrator has completed the process of analyzing the claims and determining claim amounts in accordance with the Plan, and prior to the distribution of any funds, the Fund Administrator will engage an independent, third party firm, not unacceptable to the Commission staff, to perform a set of agreed upon procedures, review a statistically significant sample of claims and ensure accurate and comprehensive application of the Plan of Allocation. The Fund Administrator will communicate the results of the review to the Commission staff together with any written analysis or reports related to the review, and upon request, will make the firm available to the Commission staff to respond to questions concerning the review.

Distribution Methodology

62. Any Preliminary Claimant, who is not an Excluded Party, who submitted a valid Claim Form and has suffered a Recognized Loss, as calculated in accordance with the Plan of Allocation, will be deemed an Eligible Claimant.

63. No Distribution Payments will be made for less than \$10.00. If an Eligible Claimant's Recognized Loss, in accordance with the Plan of Allocation, calculates to a distribution amount less than \$10.00, that Eligible Claimant will be deemed ineligible to receive a Distribution Payment and his, her, or its distribution amount will be reallocated on a *pro-rata* basis to Eligible Claimants whose distribution amounts are greater than or equal to \$10.00. All

Eligible Claimants whose Recognized Loss calculates to a distribution amount equal to or greater than \$10.00 will be deemed a Payee and will receive a Distribution Payment.

Establishment of a Reserve

64. Before determining the amount of funds available for distribution and calculating each Payee's Distribution Payment, the Fund Administrator, in conjunction with the Tax Administrator, will establish a reserve to pay Administrative Costs and to accommodate any unexpected expenditures (the "Reserve").

65. After all disbursements and Administrative Costs are paid, any remaining amounts in the Reserve will become part of the Residual described in paragraph 88 below.

Preparation of the Payment File

66. Within thirty (30) days following the date of the Determination Notices described above, paragraph 59, the Fund Administrator will compile and send to the Commission staff the Payee information, including the name, address, calculated Recognized Loss, and the amount of the Distribution Payment for all Payees (the "Payee List"). The Fund Administrator will also provide a Reasonable Assurances Letter to the Commission staff, representing that the Payee List: (a) was compiled in accordance with the approved Plan; (b) is accurate as to Payees' names, addresses, Recognized Losses and amounts of their Distribution Payment; (c) includes the number of Payees compensated; (d) the percentage of the Payee's Recognized Loss being compensated by the disbursement from the Fair Fund, and if applicable, the total percentage to include all prior disbursements; (e) the total amount being distributed; and (f) provides all information necessary to make a payment to each Payee.

The Escrow Account

67. Prior to the disbursement of the Net Available Fair Fund, the Fund Administrator will establish an escrow account (the "Escrow Account") with a United States commercial bank that is a well-capitalized financial institution as defined by the Federal Reserve Act, Subpart D, 12 C.F.R. § 208.43 and that is not unacceptable to the Commission staff (the "Bank"), pursuant to an escrow agreement (the "Escrow Agreement") to be provided by Commission staff.

68. The Fund Administrator, pursuant to the Escrow Agreement, shall also establish with the Bank a separate deposit account (e.g. controlled distribution account, managed distribution account, linked checking and investment account) (the "Distribution Account"), insured by the Federal Deposit Insurance Corporation ("FDIC") up to the guaranteed FDIC pass through limit. The Distribution Account shall be linked with the Escrow Account and shall be named, and records maintained, in accordance with the Escrow Agreement.

69. During the term of the Escrow Agreement, the portions of the Fair Fund transferred to the Escrow Account (the "Escrow Property"), shall be invested and reinvested in short-term U.S. Treasury securities backed by the full faith and credit of the United States Government or an agency thereof. The investment shall be of a type and term necessary to meet the cash liquidity requirements for payments to Payees, tax obligations, and/or fees of the Tax Administrator and/or Fund Administrator, including investment or reinvestment in a bank account insured by the FDIC up to the guaranteed FDIC limit, or in money market mutual funds registered under the Investment Company Act of 1940 that invest 100% of their assets in direct

obligations of the United States Government.

70. The Fund Administrator shall provide duplicate original bank and/or investment statements on any accounts established by the Fund Administrator to the Tax Administrator on a monthly basis and shall assist the Tax Administrator in obtaining mid-cycle statements, as necessary.

71. The Fund Administrator shall deposit or invest funds in the Escrow and Distribution Accounts so as to result in the maximum reasonable net return, taking into account the safety of such deposits or investments. In consultation with Commission staff, the Fund Administrator shall work with the Bank on an ongoing basis to determine an allocation of funds between the Escrow and Distribution Account.

72. All interest, dividends, and/or income earned by the Escrow Property will accrue for the benefit of the Escrow Property. All Administrative Cost associated with the Escrow and Distribution Accounts will be the responsibility of the Fund Administrator, who may be reimbursed for said costs as provided in this Plan. No such Administrative Costs may be paid to the Bank, its agents, and/or its affiliates from the Escrow Property.

Distribution of the Fair Fund

73. The Fund Administrator will seek to distribute the Net Available Fair Fund to all Payees only after all Claim Forms have been processed and all Preliminary Claimants whose claims have been rejected or disallowed, in whole or in part, have been notified and provided the opportunity to contest or cure pursuant to the procedures set forth herein.

74. Upon the Commission's staff's receipt, review, and acceptance of the Payee List and Reasonable Assurances Letter from the Fund Administrator, the Commission staff will seek an Order from the Commission pursuant to Rule 1101(b)(6) of the Commission's Rules, 17 C.F.R. § 210.1101(b)(6), to disburse funds to the Bank in accordance with the Payee List for distribution by the Fund Administrator in accordance with the Plan. All disbursements will be made pursuant to a Commission Order.

75. Upon issuance of an Order to disburse, the Commission staff will direct the transfer of funds in accordance with the Payee List to the Bank. The Fund Administrator will then use its best efforts to commence mailing Distribution Payment checks and/or effect electronic payments within fourteen (14) business days of the release of the funds into the Escrow Account. All efforts will be coordinated to limit the time between the Escrow Account's receipt of the funds and the issuance of Distribution Payments.

76. All Distribution Payments will be issued by the Fund Administrator from the Distribution Account. If by check, all checks will bear a stale date of one hundred twenty (120) days from the date of issuance. Checks that are not negotiated by the stale date will be voided, and the Bank will be instructed to stop payment on those checks. A Payee's claim will be extinguished if he, she, or it fails to negotiate his, her or its check by the stale date, and the funds will remain in the Fair Fund, except if a check reissue has been requested before the stale date, such request is governed by paragraph 84.

77. All Distribution Payments will be preceded or accompanied by a communication that includes, as appropriate: (a) a statement characterizing the distribution; (b) a statement that

the tax treatment of the distribution is the responsibility of each Payee and that the Payee should consult his, her or its tax advisor for advice regarding the tax treatment of the distribution; (c) a statement that checks will be void and cannot be reissued after one hundred twenty (120) days from the date the original check was issued; and (d) contact information for the Fund Administrator for questions regarding the Distribution Payment. The letter or other mailings to Payees characterizing a Distribution Payment will be submitted to the Tax Administrator and Commission staff for review and approval.

78. All Distribution Payments, either on their face or in the accompanying mailing, will clearly indicate that the money is being distributed from the Fair Fund established by the Commission to compensate investors for harm as a result of securities law violations.

79. Distribution Payments must be made by check or electronic payment payable to the Payee (the beneficial account owner). A Third-Party Filer shall not be the payee of any Distribution Payment check or electronic Distribution Payment. Any other payment arrangement must be discussed with the Fund Administrator in consultation with the Commission staff and must be authorized by the Payee. Compensation to a Third-Party Filer for its services may not be paid or deducted from the Distribution Payment.

80. If, after discussion with the Fund Administrator in consultation with the Commission staff, and authorization by the Payee(s), a Distribution Payment is to be made to a Third-Party Filer to distribute to the Payee(s), the Third-Party Filer will be required to complete a certification, which will require them, at a minimum, to attest that any distribution to the custodian, trustee, or investment professional representing multiple potentially eligible beneficial owners, will be allocated for the benefit of current or former pooled investors and not for the benefit of management. The certification form will be available on the Fair Fund website and upon request from the Fund Administrator. All such Third-Party Filers must have an auditable mechanism available to the Fund Administrator and the Commission staff to confirm that each Payee received the Distribution Payment directed to them.

81. The submission of a Claim Form and the receipt and acceptance of a Distribution Payment by a Payee is not intended to be a release of a Payee's rights and claims against any party.

82. In consultation with the Commission staff, the Fund Administrator may utilize electronic or wire transfers to transfer approved Distribution Payments to filers of claims on behalf of twenty (20) or more Payees. Wire transfers will be initiated by the Fund Administrator using a two-party check and balance system, whereby completion of a wire transfer will require an authorization by two members of the Fund Administrator's senior staff.

Post Distribution; Handling of Returned/Undeliverable Payments or Uncashed Checks; and Reissues

83. The Fund Administrator shall use its best efforts to make use of commercially available resources and other reasonably appropriate means to locate all Payees whose payments are returned to the Fund Administrator as "undeliverable." If new address or account information becomes available, the Fund Administrator will repackage the distribution payment and reissue the distribution payment in accordance with the new information. If new address or account information is not available after a diligent search (and in no event no later than one hundred twenty (120) days after the initial mailing of the original check) or if the distribution

check is returned again, the check shall be voided and the Fund Administrator shall instruct the issuing financial institution to stop payment. If the Fund Administrator is unable to find a Payee's correct address or other correct information needed for payment, or if despite best efforts, payment is impractical due to geopolitical conditions including but not limited to restrictions on payments to covered regions or financial institutions, war, or natural or manmade disasters, the Fund Administrator, in its discretion, may remove such Payee from the distribution and the allocated Distribution Payment will remain in the Fair Fund for distribution, if feasible, to the remaining Payees.

84. The Fund Administrator will reissue checks to Payees upon the receipt of a valid, written request from the Payee prior to the initial stale date. In cases where a Payee is unable to endorse a Distribution Payment check as written (e.g., name changes, IRA custodian changes, or recipient is deceased) and the Payee or a lawful representative requests the reissuance of a Distribution Payment check in a different name, the Fund Administrator will request, and must receive, documentation to support the requested change. The Fund Administrator will review the documentation to determine the authenticity and propriety of the change request. If, in the discretion of the Fund Administrator, such change request is properly documented, the Fund Administrator will issue an appropriately redrawn Distribution Payment to the requesting party. Reissued checks will be void at the later of one hundred twenty (120) days from issuance of the original check or sixty (60) days from the reissuance. In no event will a check be reissued after one hundred twenty (120) days from the date of the original issuance without the approval of Commission staff.

85. The Fund Administrator will make reasonable efforts to contact Payees who have failed to negotiate their Distribution Payment check and take appropriate action to follow up on the status of uncashed checks at the request of Commission staff. The Fund Administrator may reissue such checks subject to the time limits detailed herein.

Administrative Costs

86. All Administrative Costs will be paid from the Fair Fund in accordance with the Commission's Rules.

Disposition of Undistributed Funds

87. If funds remain following the initial distribution and payment of all Administrative Costs, the Fund Administrator, in consultation with the Commission staff, may seek subsequent distribution of any available remaining funds, pursuant to the Commission's Rules

88. A residual within the Fair Fund will be established for any amounts remaining after the final disbursement to Payees from the Fair Fund (the "Residual"). The Residual may include funds from, among other things, the amounts remaining in the Reserve, distribution checks that have not been cashed, checks or electronic payments that were not delivered or returned to the Commission, tax refunds for overpayment or for waiver of IRS penalties.

89. All funds remaining in the Residual that are infeasible to distribute to investors will be returned to the Commission and transferred to the U.S. Treasury after the final accounting is approved by the Commission. Returning such money to Respondent would be inconsistent with the equitable principle that no Person should profit from their own wrongdoing.

Therefore, in these circumstances, distributing disgorged funds to the U.S. Treasury is the most equitable alternative.

Filing of Reports and Accountings

90. In accordance with Rule 1105(f) of the Commission's Rules, the Fund Administrator shall provide to the Commission staff a progress report and a quarterly account statement in a format to be provided by Commission staff, within forty-five (45) days of the Commission's approval of the Plan, and shall provide to Commission staff additional reports and quarterly account statements within ten (10) days after the end of every calendar quarter. Such progress reports shall inform the Commission staff of the activities and status of the Fair Fund during the reporting period, and shall specify, at a minimum, the location of the account(s) comprising the Fair Fund, including among other things, an interim accounting of all monies in the Fair Fund.

91. When the final distribution is completed, the Fund Administrator shall provide to Commission staff a final report summarizing all tasks undertaken and the outcome of its administrative efforts. The Fund Administrator shall make arrangement for the final payment of all Administrative Costs, and submit a final accounting of all monies received, earned, spent, and distributed in connection with the administration of the Plan in a format provided by the Commission staff. The Fund Administrator will also submit a report to the Commission staff containing the final distribution statistics regarding distributions to individuals and entities, and such other information requested by the Commission staff.

Termination of the Fair Fund

92. The Fair Fund will be eligible for termination and the Fund Administrator will be eligible for discharge after all of the following have occurred (a) a final accounting, in a standard accounting format provided by the Commission staff, has been submitted by the Fund Administrator and approved by the Commission; (b) all Administrative Costs have been paid; and (c) any amount remaining in the Fair Fund has been returned to the Commission for transfer to U.S. Treasury. Once the Commission has approved the final accounting, the Commission staff will seek an order from the Commission authorizing: (a) the transfer of the Residual that is infeasible to return to investors, and any amounts returned to the Fair Fund in the future that are infeasible to return to investors, to the U.S. Treasury, subject to Section 21F(g)(3) of the Exchange Act; (b) discharge of the Fund Administrator; (c) cancellation of the Fund Administrator's bond; and (d) termination of the Fair Fund.

93. Once the Fair Fund has been terminated and funds, if any, are transferred to the U.S. Treasury, no further claims will be allowed and no additional payments will be made whatsoever.

Miscellaneous

94. When administering this Plan, the Fund Administrator, and/or each of its designees, agents and assigns, may rely on: all applicable law; orders issued by the Commission, including orders issued by delegated authority; orders issued by an administrative law judge, if any, appointed in this proceeding; and any records, including records containing investor information, provided by Commission staff.

95. Should any additional funds be received pursuant to Commission or Court order, agreement, or otherwise, prior to the Commission's termination of the Fair Fund, such funds will be added to the Fair Fund and distributed, if feasible, in accordance with the Plan, pursuant to the Commission's Rules.

Wind-down and Document Retention

96. The Fund Administrator will shut down the website, P.O. Box and customer service telephone line(s) established specifically for the administration of the Fair Fund six (6) months after the transfer of any remaining funds to the Commission, or at such earlier time as the Fund Administrator determines with the concurrence of the Commission staff.

97. The Fund Administrator will retain all materials submitted by Payees in either paper or electronic form for a period of six (6) years from the date of approval of a final accounting. Materials maintained in electronic form must be accessible and readable for the duration of retention. Pursuant to the Commission staff's direction, the Fund Administrator will either turn over to the Commission or destroy all materials, including documents in any media, upon expiration of this period.

EXHIBIT A

PLAN OF ALLOCATION

This Plan of Allocation is designed to compensate investors based on their losses from a digital asset security, Consumer Activity Tokens (“CAT” or the “Security”), issued by BitClave and purchased from July 25, 2017 through May 27, 2020, inclusive (the “Relevant Period”). Investors who did not purchase the Security during the Relevant Period or who are an Excluded Party¹ are ineligible to recover under this Plan.

The Fund Administrator will calculate the amount of Recognized Loss per token purchased during the Relevant Period as follows:

- A. For each token sold prior to the close of trading on May 27, 2020, the Recognized Loss per token is the purchase price *minus* the sales proceeds.
- B. For each token held as of the close of trading on May 27, 2020, the Recognized Loss per token is the purchase price *minus* \$0.000008742² (the deemed value of the Security after the Commission issued the Order against BitClave).

Security acquired from the issuer for no monetary consideration (e.g., Security allocated as part of the bounty program and bonus Security provided in the initial coin offering) are not eligible for recovery under this Plan and shall not be included in the calculation of Recognized Loss.

If the Recognized Loss per token calculates to a negative number, reflecting a gain, the Recognized Loss per token will be \$0.00.

All prices mentioned in the calculations shall exclude all taxes, fees and commissions. Purchases and sales shall be deemed to have occurred on the “contract” or “trade” date as opposed to the “settlement” or “payment” date.

All calculations pursuant to this Plan of Allocation will be made in U.S. Dollars. Non-U.S. Dollar amounts will be converted to U.S. Dollars as of the contract or trade date. Distribution Payments will also be made in U.S. Dollars.

Additional Provisions

FIFO Methodology: Transactions for a Preliminary Claimant who made multiple purchases/acquisitions and sales of the Security during the Relevant Period, will be matched according to the first-in, first-out (“FIFO”) method. The earliest sales during the Relevant Period will be matched first against any holdings at the opening of the Relevant Period. Once the beginning holdings have all been matched, or in the event there are no beginning holdings, then any further sales will be matched against the earliest Relevant Period purchases/acquisitions and chronologically thereafter.

¹ All capitalized terms used herein but not defined shall have the same meanings ascribed to them in the Plan.

² On May 28, 2020, the day the SEC announced the action against BitClave, CAT closed at approximately \$0.000008742 per token (coincodex.com).

Acquisitions: The receipt or grant of the Security to the Preliminary Claimant by gift, devise, inheritance, or operation during the Relevant Period is not considered an eligible purchase if the original purchase did not occur during the Relevant Period. Security acquired outside of the Relevant Period will be excluded from the calculation of the Recognized Loss.

Recognized Loss: A Preliminary Claimant's Recognized Loss is the sum of the loss on all tokens purchased/acquired during the Relevant Period. If the Recognized Loss calculates to a negative number, reflecting a gain, then the Recognized Loss will be \$0.

Eligible Claimant: A Preliminary Claimant, who is not an Excluded Party, who submitted a valid claim and has suffered a Recognized Loss, as calculated above, will be deemed an Eligible Claimant.

Allocation of Funds: If the Net Available Fair Fund is equal to or exceeds the sum of Recognized Losses of all Eligible Claimants, each Eligible Claimant's distribution amount will equal his, her, or its Recognized Loss, plus "Reasonable Interest," if applicable. If the Net Available Fair Fund is less than the sum of the Recognized Losses of all Eligible Claimants, each Eligible Claimant's distribution amount will equal his, her, or its "*Pro Rata Share*" of the Net Available Fair Fund (and no Reasonable Interest). In either case, the distribution amount will be subject to the "Minimum Distribution Amount."

Reasonable Interest: If the Net Available Fair Fund exceeds that necessary to pay all Eligible Claimants their Recognized Losses in full, the Fund Administrator, in consultation with the Commission staff, may include interest in the distribution amount to compensate Eligible Claimants for the time value of their respective Recognized Losses. Reasonable Interest will be calculated using the Short-term Applicable Federal Rate plus three percent (3%), compounded quarterly from the end of the Relevant Period through the approximate date of the disbursement of the funds. If there are insufficient funds to pay Reasonable Interest in full to all Eligible Claimants, each Eligible Claimant's Reasonable Interest amount will be his, her or its *Pro Rata Share* of the excess funds.

Pro Rata Share: A *Pro Rata Share* computation is intended to measure Eligible Claimants' Recognized Losses against one another. The Fund Administrator shall determine each Eligible Claimant's *Pro Rata Share* as the ratio of his, her or its Recognized Loss to the sum of Recognized Losses of all Eligible Claimants.

Minimum Distribution Amount: The Minimum Distribution Amount will be \$10.00 (inclusive of Reasonable Interest, if any). If an Eligible Claimant's distribution amount is less than the Minimum Distribution Amount, that Eligible Claimant will be deemed ineligible to receive a Distribution Payment and his, her or its distribution amount will be reallocated on a *pro-rata* basis to Eligible Claimants whose distribution amounts are greater than or equal to the Minimum Distribution Amount.

Payee: An Eligible Claimant whose distribution amount equals or exceeds the Minimum Distribution Amount will be deemed a Payee and receive a Distribution Payment for his, her, or its distribution amount.

Prior Recovery: To avoid payment of a windfall, the Distribution Payment will be no larger than the Payee's Recognized Loss minus the amount of any compensation for the loss that resulted from the conduct described in the Order that was received from another source (e.g.

class action settlement), to the extent known by the Fund Administrator. Reasonable Interest, if awarded, may be added to such Distribution Payment.
